DETAILED ACTION

Response to Amendment

This Office Action is in response to Amendment filed on 02/27/06.

Claim 5 has been cancelled.

Claims 1, 6, 23, 24 have been amended.

Remark of Applicants based on amended claims has been considered.

Reason for allowance

Claims 1-4, 6-24 are allowed. The following is an examiner's statement of reason for allowance: None of the references of record teaches or suggests the claimed limitations having a process for fabricating a low dielectric constant semiconductor comprising a step of forming a support structure using a stamp contact printing technique, wherein the support structure is a first insulating material, forming a second insulating material onto the support structure, planarizing the second insulating material to a surface of the support structure, forming metal studs in the planarized second insulating material and the support structure under the polish-stop film layer and among other limitations cited in independent claims 1, 23, 24.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance".
